## MYOB for the boss

To help tenants get the best from their bookkeeper, the SSHED has commissioned a special MYOB training course.

While MYOB is a sophisticated tool, business owners still need to know when and which reports to run and how to read them.

Presenting the session next month is [Kathryn MacMillan](#), Managing Director, Nine2Three Employment Solutions, a business specializing in supplying bookkeepers for SMEs.

Kathryn's business was based at the SSHED for almost 3 years and she has presented to many business groups including the Institute of Chartered Accountants Business Forum 2008 and the Australian Association of Accounting Technicians.
